Mar 16, 2017 Hey guys it's me again; this time with something a little different. I have teamed up with the Minecraft Porn Texture Pack to get this wonderful resource pack to all of you. This package contains over, so feel free to download. Apr 6, 2017 Gives a vampire each as well, just have to re place the texture yourself so I do that at the moment. It should be easy enough, I think it's in my main folder folder where the pvp resource pack is so it should be about four to six folders in and you are done. Nov 7, 2017 This is a more light pvp pack I decided to get on the whole unity game engine thing, and I think it has turned out pretty well, making a more sort of quality updated version of an old texture pack. This texture pack is pretty user friendly and it is a simple texture pack that will be replaced as soon as I feel that the mod needs to be updated for a long enough time. the texture pack is a simple texture pack that will be replaced as soon as I feel that the mod needs to be updated for a long enough time. Jun 6, 2017 Also the texture pack isn't the best, but I do my best in anyway. The texture pack is really easy to install, and it only took like a minute or two to get it ready, although I believe that will change. I did really no other mods or anything. I just messed around for a little bit to get the texture and such. Please look at the site to see how and what I can do. If you'd like to see me update this texture pack, please tell me. When this texture pack is updated, I will put up a screen cast on how to install it. Note: I am working on adding more skins and stuff to this mod, including mobs and stuff. Oct 10, 2017 Anyway, this is my new/old
